Examination procedure and other information

- Walk-ins allowed (no pre-registration required)
- There are no special admission requirements (age, health, nationality or residence)
- US licenses are good for 10 years before renewal and anyone may hold one except a representative of a foreign government
- To upgrade to General Class {*Extra Class*}, you must already hold a Technician Class {*General Class*} license or have recently passed the Technician {*General*} license exam.
- A candidate pays one test fee and is entitled to take tests for Elements 2, 3 and 4 as needed, up to all three under the single test fee. If an examinee *retakes* a failed exam element, he/she has to pay a second test fee.

The [NCVEC Quick-Form 605 Application](#) must be filled out at the beginning or brought with you to the exam (recommended).
